

St. Vincent de Paul Society
St. Richard Parish
First Quarter 2010 Report to Parishioners

Dear Parishioners:

We thank you for your generous donations! With your help, we continue to offer compassion financial aid and resources to people who struggle to meet their daily, basic needs. A core group of members meet on the second Thursday evening of each month, in the rectory basement in the Board room, at 7:30 p.m.

Home Visits: In this major program of St. Vincent de Paul we visit and help any family in urgent need. Examples are families who are about to be evicted, whose gas or electricity is about to be turned off, or who cannot afford to buy the next refill of their medicines or are in need of food. We visit households within our parish boundaries. This past quarter we visited and helped 22 families. The chart below summarizes the monetary assistance we gave during the first quarter of 2010.
